## ABOUT MYSELF

I consider purposefulness and perseverance to be my key qualities. I am not afraid of difficulties and obstacles, I constantly strive for self-development. I show interest in various areas of activity that I consider promising and useful for myself. In this connection, I easily leave my comfort zone and completely immerse myself in a new direction for myself, where I try to develop my skills to the maximum and bring the work started to the end.

I like outdoor activities, I like to participate in sports events. In my student years, I was the captain of the university KVN team, the national football team. Also, I play table tennis, chess, volleyball.
